1. What are some ways that you’ve seen reward and recognition for remote workers work well?
2. What kinds of employee behaviors, actions or accomplishments should an organization recognize?
3. How would you suggest getting an organization’s leadership on board with a reward and recognition program?
4. How have you seen organizations communicate their recognition programs and help keep high participation?
5. True or False: Recognition that is too frequent will lose its impact.
Thank you!
