360 Recognition Platform

A **single hub** to house all your recognition initiatives and corporate awards from one easy to manage online platform.

Build for where you're **going tomorrow**.
Start with what you **have today**.

360 Recognition Platform

Make it **easy**.

Recognition programs work together

Build **culture**.

Align programming to your organization's mission, vision, & values

Create **engagement**.

Drive performance, boost morale, and increase retention

Milestone & Service Awards

Looking for a way to celebrate your employees' career milestones and service anniversaries?

Terryberry offers employee service award programs for every milestone, from onboarding to retirement.

Recognize each and every Employee **Service Anniversary**

Give your employees the gift of choice. Use an online award selection or a printed brochure to display the quality award options available.

Award Presentation Kits combine a personalized message of appreciation and a special award in an attractive presentation box.

Celebrate your Company's **Birthdays and Big Events**

Be there for the big moments. Automatically recognize employees with points or awards on their birthday. Give special gifts and awards for individual and corporate events. 360 Recognition helps make every major moment a milestone.

Social Recognition

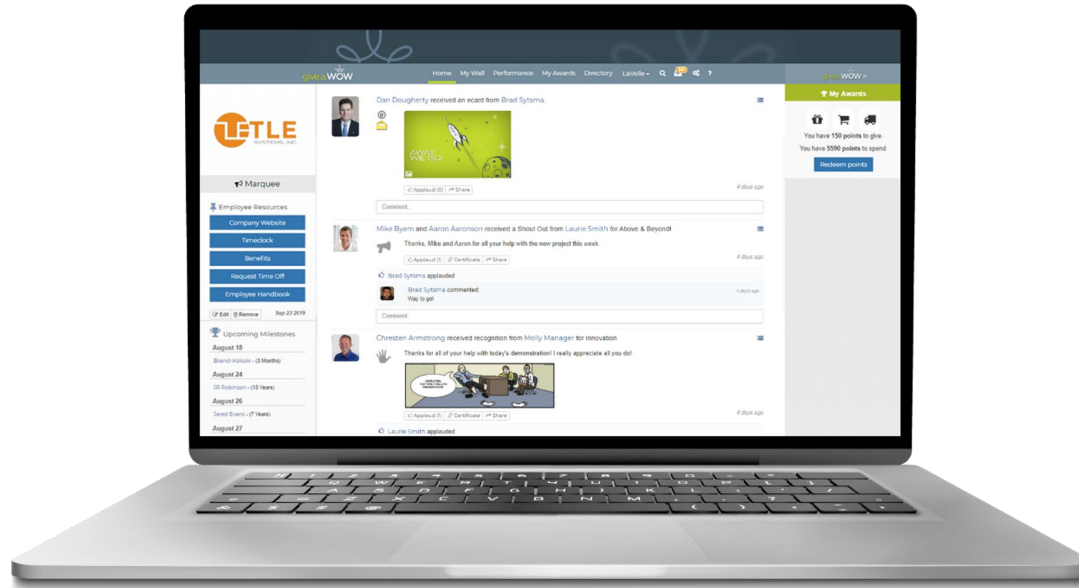

Looking for a way to empower your team to create a dynamic culture of recognition?

Terryberry's Social Recognition Platform & Program offers programs for both employees and managers to give and receive recognition.

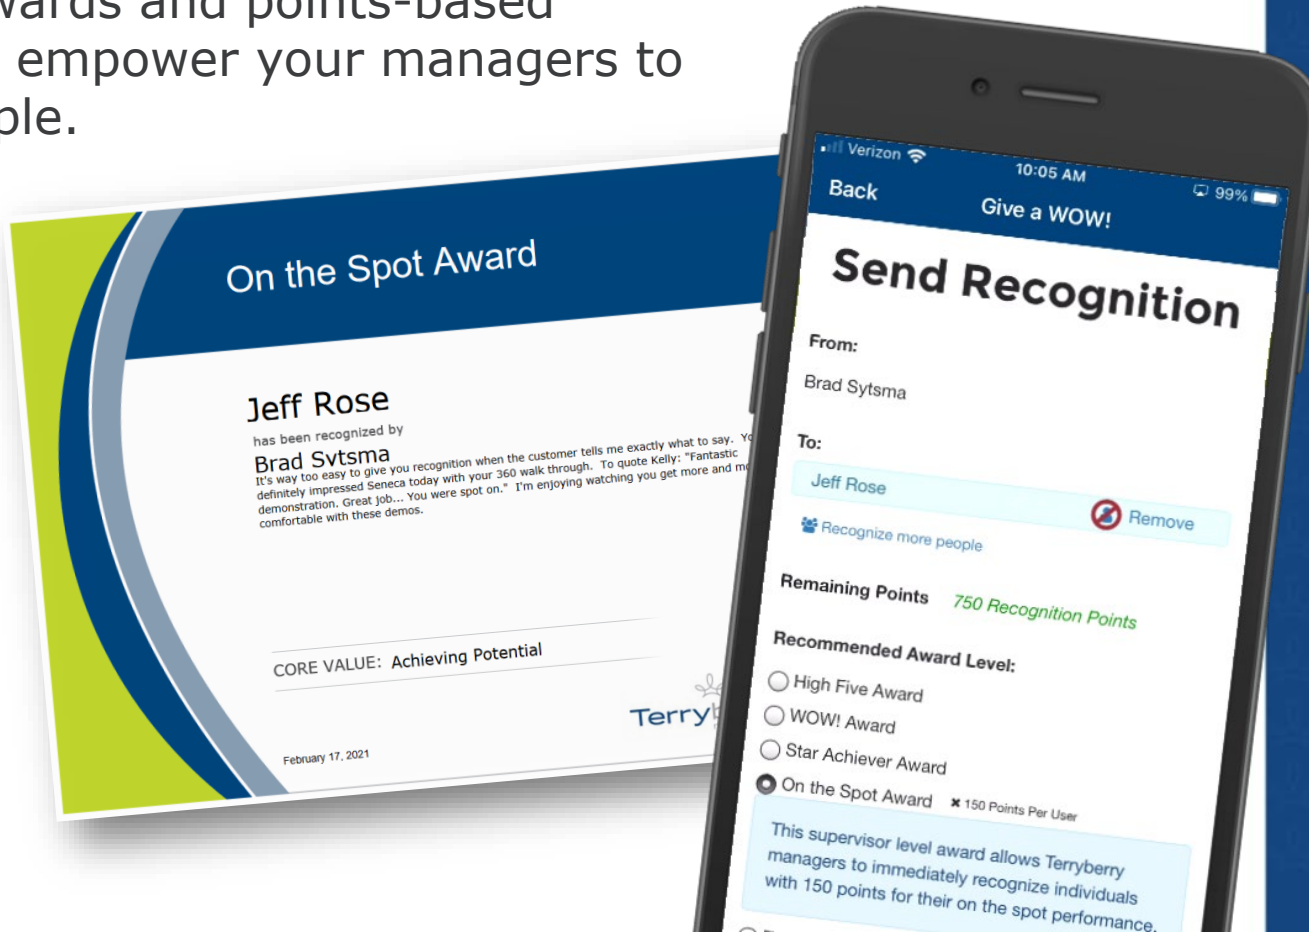

Engage Every Employee with **Peer to Peer Recognition**

Peer-to-peer recognition allows every employee to have a voice. Base recognition on your mission, vision, and values and highlight success stories from across the company.

Recognize from the top down with **Manager-Driven Recognition**

Give leaders the tools to recognize and reward their staff for great work in the moment. Use recognition awards and points-based recognition to empower your managers to lead by example.

Feedback & Communication

Looking for a way to connect with your customers and employees?

Terryberry's Feedback & Communication platform makes it easy for your customers to share feedback and recognize employees who make a difference.

Recognize Form and Survey responses with Recognition Mailbox

With Recognition Mailbox, customers can recognize an employee who made a difference. With a click of a button, managers can reward the employee and share the customer's comments within the organization.

Use the Mailbox internally to capture Employee Referrals, Bright Ideas, Safety Concerns, Pulse and Engagement Surveys, all while rewarding employees for their contributions.

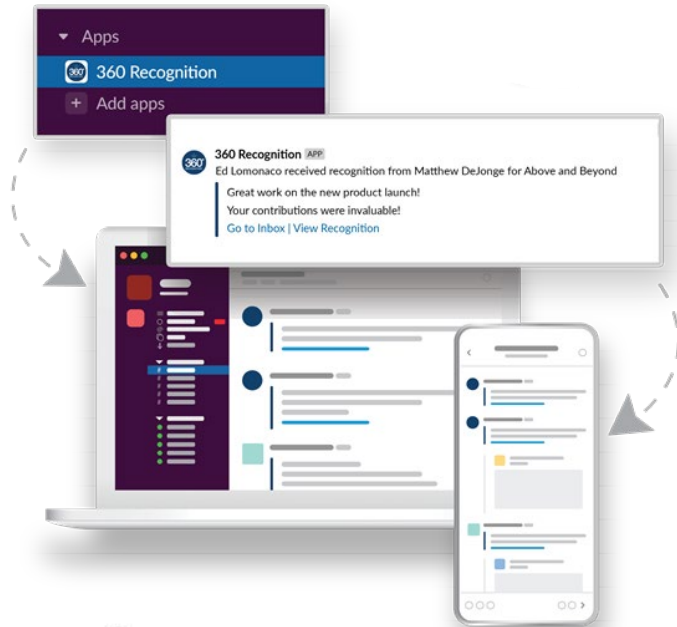

Employee Engagement/Experience

Communicate through preferred channels with **Apps and Integrations**

Leverage the communication tools and apps that your employees use every day in order to make sure a recognition moment never gets missed. Notify your desk and non-desk workers through the outlets they rely on the most.

Performance & Incentive Rewards

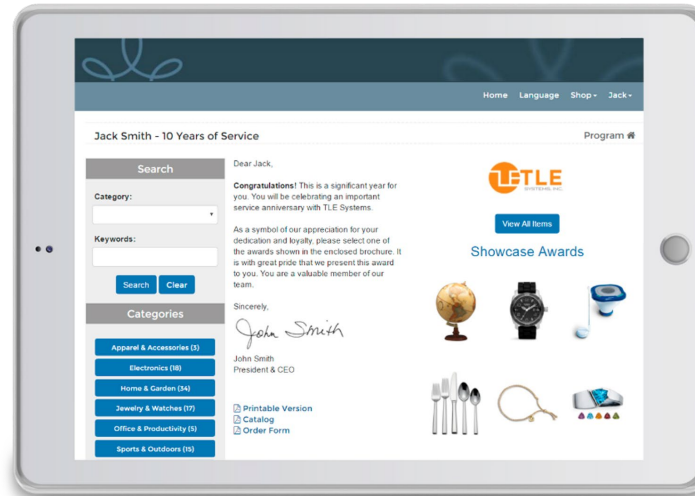

Looking for an effective way to incentivize your employees or channel partners?

Terryberry can help you design and implement an employee incentive program that will engage and motivate your group to achieve targeted goals.

Fuel growth and drive performance with **Sales Incentives**

We can help you create quarterly and annual tracking and develop a points-based reward system for the individual or team performance goals. Recognize top annual performers with a custom award package, AwardPoints, or AwardChoice options.

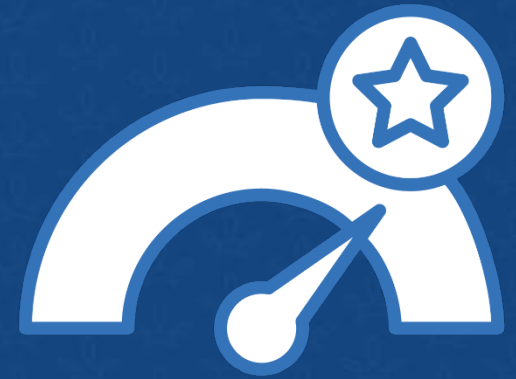

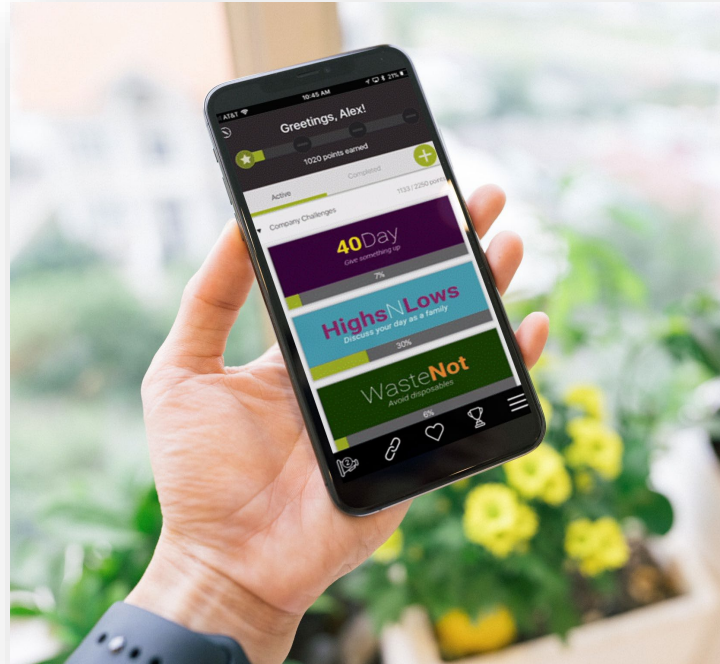

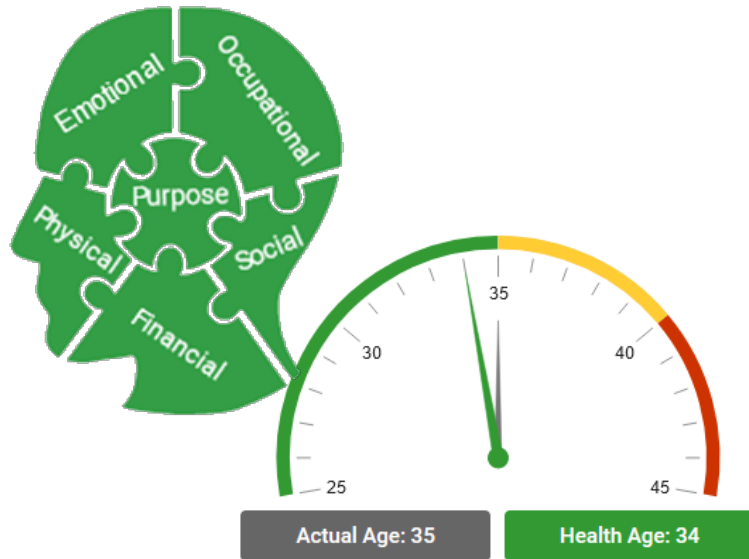

Build a better culture with **Safety Awards**

Employee safety incentives are a powerful way to communicate the importance of safe behaviors, reduce accidents and create a safer working environment. Terryberry can help you recognize leading and lagging indicators in accordance with OSHA recommendations.

Encourage healthy behavior with **Wellness Incentives**

Terryberry offers tools through a cloud-based system to create a corporate wellness program. Our HIPAA-compliant wellness programs educate employees about health risks and how they affect the body, mind, and workplace.
